

Cold water high pressure washers

PW-C40

HOSE REEL with 15 m H.P. hose (optional accessory, standard in Plus models)

LANCE HOLDER
Built-in lance holder.

Lance
Code LCPR 40046
(IDAF 40238 - IDAF 40237 - IDAF 40241
IDAF 40242 - IDAF 40253 - IDAF 40254)
Code LCPR 40047
(IDAF 40250 - IDAF 40249)
Code LCPR 40048
(IDAF 40245 - IDAF 40246)
Code LCPR 40049
(IDAF 40233 - IDAF 40234)

H.P. flexible hose 10 m
CodeTBAP 25324

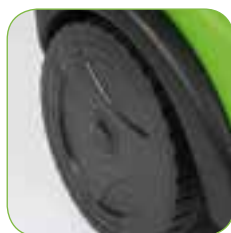

Trigger gun with Swivel joint
Code IPPR 40010

Pressure adjustment knob.

Built-in 7.5 litre detergent tank for low pressure detergent delivery.

Large diameter wheels to facilitate movement.

ON/OFF knob.

Large front foot for greater stability.

Technical characteristics

MOTOR

- Asynchronous motor, 2-pole in models 1310P and 1813P
- Asynchronous motor, 4-pole in models 1310P4 - 1112P4 - 1813P4 - 1915P4.

DESIGN

- Sturdy frame and large diameter wheels.
- Built-in ergonomic handle, lance holder and hose support.
- The machine also has a cable support.
- Thermostatic valve (By Pass versions only) to protect the pump from excessively high water temperatures during the By Pass phase. (By Pass Models)
