

AS430/510

Compact and powerful floor cleaning

- scrubber dryer with great maneuverability

PART OF THE NILFISK GROUP

Reliable, simple and powerful

www.vipercleaning.com / hello@vipercleaning.com

The Viper AS430/ 510 is a compact and highly maneuverable scrubber dryer that suits mid-sized application and heavy trafficked areas. With a productive tank size, integrated solution tank and a working width of 51 cm the machine provides effective cleaning for hours.

Both machines are driven by brush traction available in both battery or cord but with two different cleaning paths.

- Tank capacity for battery 40L and cord 50L
- Intuitive dashboard
- On-board charger
- Safety switches built into the handle

Easy and convenient 2 pcs safety switches

Water level indicator with volume visible on tank

Large and robust wheels making the machine easy to maneuver
